Dear Mr. Kroopkin:

This regards your California Public Records Act request, dated November 12, 2016 requesting the following documents related to Groundwork Books, Che Café, Food Co-op, General Store Co-op, and Recycling Co-op.:

- 1) Master Space Agreement (MSA) dated August 4, 1993, between Regents/UCSD and UCSD student co-ops;
- 2) Memorandum of Understanding (MOU) dated May 3, 1993, between Regents/UCSD and UCSD student co-ops;
- 3) Any and all successor MSA(s) dated 1994 through 2005, between Regents/UCSD and UCSD student co-ops;
- 4) Any and all successor MOU(s) dated 1994 through 2005, between Regents/UCSD and UCSD student co-ops.

Attached, please find 130 pages of records responsive to your request. Records regarding information relating to schematic drawings of the subject buildings have been redacted in accordance with Govt. Code §6255. Schematic drawings contain safety and security details. The University has an interest in ensuring the safety and security of its tenants. The public interest served by not disclosing building schematics outweighs the public's interest in such drawings.

Although it is our usual practice to charge a copy fee of \$.20 cents per page for documents produced in response to records requests as allowed by the California Public Records Act, it is UC San Diego practice to waive this charge at the discretion of the Director. In this case, we will waive the fee for the production of these documents. This waiver of fees is for this request only and may not apply for future requests. This completes your request.

Please contact me with any questions. My direct telephone number is (858) 534-2552.

Sincerely,
